

Warner Center Active Transportation Hub

Enhancing Walking, Biking, and Rolling in the Warner Center

Parent Presentation

Learn all about **Active Transportation** in this area and what it means for you and your families.

*Everyone
Welcome!*

Monday,
December 1st
8:45am
Parent Center

Active transportation means walking, biking, rolling (e.g., skateboards, scooters, wheelchairs, and other mobility devices), and other eco-friendly ways to get around safely and efficiently. It's about creating streets that are accessible, connected to key destinations, and enjoyable for everyone.

Enhancing Walking, Biking, and Rolling in the Warner Center

Presentación de los estudiantes

Infórmate sobre el Transporte Activo en esta zona y lo que significa para ti y tus familias.

Todos son bienvenidos

**Lunes,
1 de Diciembre
8:45am
Centro de Padres**

Transporte activo significa caminar, andar en bicicleta, rodar (por ejemplo, patinetas, scooters, sillas de ruedas y otros dispositivos de movilidad), y otras formas ecológicas de moverse de forma segura y eficiente. Se trata de crear calles accesibles, conectadas a destinos clave y agradables para todos.
